

Seven new members join the BBOP Advisory Group

BBOP is pleased to announce seven new members on its Advisory Group. The following companies: **AngloGold Ashanti, Inmet Mining, Sveaskog, Global Environment Fund, Golder Associates, New Forests, and SLR Consulting** have joined the BBOP Advisory Group as of May 27, 2010.

Representing valuable perspectives from the agriculture, consulting, mining, forestry, and private equity management sectors, these seven corporate members bring a wealth of experience which will enrich discussion and contribute enormously to BBOP's success.

AngloGold Ashanti

A leading global gold producer headquartered in Johannesburg, AngloGold Ashanti has 21 operations on four continents and a number of exploration programmes in both the established and new gold-producing regions of the world.

Sveaskog

Sweden's largest forest owner and leading supplier of timber, pulpwood and biofuel. Sveaskog owns 15% of the forest land in Sweden, approximately 4.3 million hectares, which also makes it a globally significant forest owner. The company works with land sales, caters for hunting and fishing and provides land for local entrepreneurs.
